

Advice to Students When Selecting Their Subjects

A balance of subjects is preferred by colleges/universities in most countries, and by employers.

- A balance also allows you to have a wide choice of careers. The Core curriculum in conjunction with the options generally gives you this balance.
- It is generally best to opt for the subjects that you enjoy. If you enjoy them you will work harder.
- Take your time in deciding. Talk to parents. Talk to your form tutor. Talk to your teachers.

Do not choose a subject simply because:

- A friend is doing it.
- You like a teacher, as you may not get him/her.
- You do not like it, but think it is needed for a career that appeals.
