

## Welcome to Post 16

at Star International School Al Twar

A warm welcome to our new and existing students who are choosing to progress into our Post 16 provision at Star International School.

We are excited to guide you through the next two years of your secondary education, in which we hope you continue to grow and develop whilst learning more about the subjects you enjoy.

You will find a range of subjects on offer that should meet your needs and interests and enable you to access the higher education and the career choices that you desire.

All subjects at Key Stage 5 are taught by highly qualified subject specialists, with extensive knowledge in their area and outstanding teaching practice. This ensures all our students make better than expected progress and achieve their full potential.

You will receive extensive support to help you manage your studies over the next two years and guide you towards your final exams. We will support you in selecting the right subjects to ensure you can access your desired university course and pursue your chosen career.

I am excited to be working with all of you in the coming future and please do not hesitate to contact me if you have any further queries or questions.

**Yours sincerely,**

**Kyle Knott**

**Vice Principal – Head of Secondary and Post 16**
